Food Shopping Now a Pleasure

Better foods—better stores—lower prices.

These are the three things the Great Atlantic & Pacific Tea Co. brings to Milwaukee housewives—and this is why food shopping is now a pleasure.

In accord with this policy—better foods, better stores, lower prices—A&P is opening a new modern food market at 583 Downer Ave. on Monday, July 8th.

Here you can buy the highest quality foods at money-saving prices. Here you can buy all your food needs—fresh quality meats, groceries, household supplies, baked goods, delicatessens, fruits, vegetables, teas, coffees, and dairy products. Here you can go direct to shelves and displays and choose your wants, hurrying or taking time—as you wish.

Visit this new A&P food store. It is probably the most complete and modern food shop in all Milwaukee.
